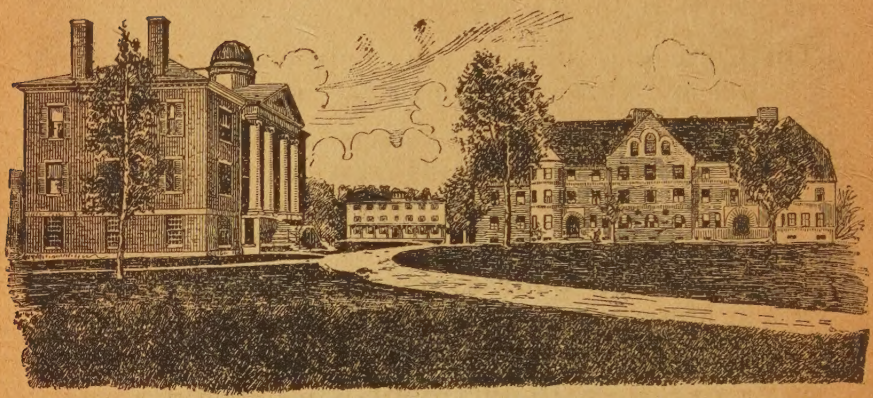
ABBOT ACADEMY,

Andover, Mass.



ABBOT ACADEMY, founded in 1829, is a seminary for the higher education of young women. It is distinctively Christian in its instruction, discipline, and influence. It aims to prepare girls for useful, earnest lives by providing opportunities for thorough intellectual culture and by endeavoring to secure the best development of character.

Extended seminary courses in Latin, Greek, French, and German languages with History, Literature, and Science, and rare opportunities for Music and Art, are fully provided for, and also a thorough college fitting course. The College Preparatory Course gives certificate to any College that admits on certificate.

Andover is situated on the Boston and Maine railroad, twenty-three miles north of Boston. It has a healthful climate, and is in a region of beautiful scenery. As the seat of several educational institutions, it offers many incidental benefits to the pupils of the academy, while its proximity to Boston renders many advantages of that city easily available.

The grounds, comprising twenty-three acres, are pleasantly laid out in lawns, with walks, and include a large grove of oaks. Abundant opportunity is thus offered for the healthful out-door exercise which is needed by all.

Draper Hall furnishes a home for all pupils pursuing English and German. It is equipped with the best modern conveniences for the health and comfort of pupils, including effective systems of hot water heating and electric lighting. It has separate floors for Music and Art, a large Reading-room, and a commodious Library. The greater number of rooms in this building are *en suite*, allowing two rooms, a parlor and a bedroom, for two pupils. There are a few other larger rooms for two persons, and a few single rooms. The wing of Draper Hall is occupied by those who are studying German.

Those studying French live in Smith Hall, where French is the chief language of the day. Good accommodations are here provided, a pleasant dining-room and homelike parlors, with a separate room for each pupil.

Abbot Hall, the old Academy, contains the chapel, class-rooms, laboratory, and gymnasium.

The total expense for board, including fuel, lights, and washing, and for tuition, except music and drawing, is $400 per annum.

The sixty-eighth year begins on Thursday, September 17, 1896.

For catalogues, apply to W. F. Draper; for information or admission, to

WHEATON SEMINARY

FOR YOUNG LADIES.

NORTON, MASS.

The 62d Year begins Sept. 10th, 1896.

Norton is situated on the Providence Division of the Old Colony Railroad, within one hour's ride of Boston and six hours' ride of New York City. The town is pleasant and healthful, and furnishes peculiar advantages for a girls' school. Its quiet and secluded situation affords opportunities for varied out-of-door exercise, and permits greater freedom than would be otherwise possible.

The Seminary Hall contains spacious recitation rooms, cabinets, laboratory, studio, library, and gymnasium, all arranged to secure good light and ventilation. The Home is separate from the Hall; its rooms are well ventilated and attractively furnished. Both buildings are heated by steam. No expense has been spared to secure perfect drainage, and water is pure and abundant.

The limited number of pupils permits that familiar personal intercourse with the teachers upon which the formation of correct habits so largely depends. The school aims to furnish, by its course of study, the best facilities for a full and symmetrical development of mind and character. Since the highest culture must be founded on an earnest faith in the Bible, it is the endeavor of the teachers that a constant and pervasive Christian influence shall be felt throughout the school. Special care is given to the health of pupils.

The regular course of study covers four years. Pupils can enter the Preparatory Department, or join such classes as they are fitted to enter, without pursuing the full course. In all branches the instruction is systematic and thorough, and is accompanied by familiar lectures. It aims to cultivate breadth of thought and accuracy of expression by careful individual training. Appropriations are made for lectures on scientific, historical, and literary subjects. Private lessons in Vocal Music, Drawing, and Elocution are given to advanced and special students; French and German are spoken in the class-room and at table in the dining-room.

The entire annual charge for board (including room, fuel, lights, and washing) and for tuition (except special lessons in Elocution, Music, and Drawing) is $350.

☞ **By arrangement with the Principal or Trustees, the tuition of Daughters of Clergymen and Missionaries may be remitted.**

Board of Trustees: A. H. Plumb, D. D., Boston (President); Rev. S. V. Cole, Taunton (Secretary); Mr. Edwin Barrows, Providence (Treasurer); Mr. Samuel Johnson, Boston; Alexander McGregor, D. D., Pawtucket; Mr. James W. Hervey, New Bedford; Hon. Wm. H. Fox and Jas. G. Vose, D. D., Providence.

INDUSTRIAL BUILDING. BOYS' HALL. STONE HALL. GIRLS' HALL.

ATLANTA UNIVERSITY, Atlanta, Ga.

REV. HORACE BUMSTEAD, D. D., PRESIDENT.

ATLANTA UNIVERSITY has special claims for recognition and support because of the somewhat unique character of its work for the Negro. It is supplementing and strengthening the work of the public schools and of private industrial and trade schools by furnishing thoroughly trained teachers and manual training superintendents to carry on the elementary and industrial education of the masses. It is elevating and purifying the domestic and civic life of the Negroes by furnishing those moral and spiritual forces needed to counteract the gross materialism which threatens to engulf them.

HIGHER EDUCATION is not given to the Negro in Atlanta University in any merely sentimental spirit, but with a practical end in view. No attempt is made to force it upon the masses of the race, but to give it to the few for the sake of the masses.

INDUSTRIAL TRAINING is an integral part of the Higher Education which Atlanta University gives, and it is compulsory upon all students. It differs, however, from that which is found in the more distinctively industrial or trade schools, being designed to produce teachers of industrial arts rather than mere artisans.

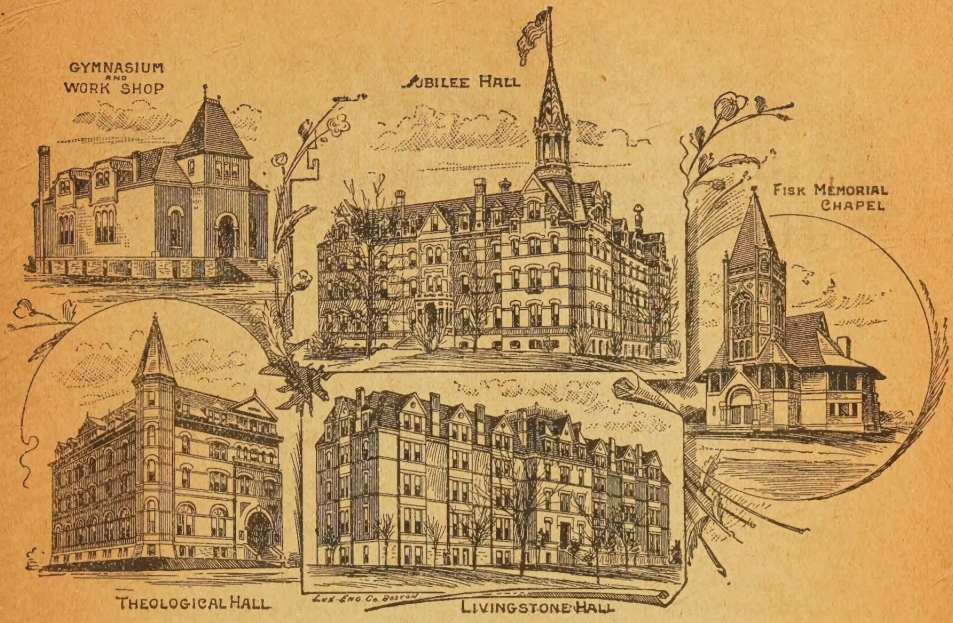
THE INSTITUTION is chartered, is controlled by an independent Board of Trustees, is undenominational but earnestly Christian in its religious influence, owns sixty-five acres in the city of Atlanta with four large brick buildings and other property, valued at $250,000. In strategic location, efficient organization, successful maintenance of high standards, and opportunities for future development and usefulness, few institutions present so strong a claim for liberal support and permanent endowment.

AN ENDOWMENT of at least $500,000 is needed. The corporate name of the Institution is "The Trustees of the Atlanta University," in Atlanta, Ga.

DONATIONS to the amount of $25,000 a year are needed to provide for the present unendowed work. Scholarships of forty, fifty, and sixty dollars each are solicited to cover the cost of the tuition of one student for one year, over and above the nominal tuition fees paid by the student.

REMITTANCES may be made or requests for further information sent to the President, either at Atlanta, Ga., or at his Northern address:

PRESIDENT HORACE BUMSTEAD,
Care of the J. F. Bumstead Co.,
340 Boylston Street, Boston.



Fisk University has in successful operation the following departments:

I. THE COMMON ENGLISH, which has been maintained to meet a continued need on the part of many of the patrons of the University.

II. THE NORMAL, which has a course of study extending over four years, beginning with Latin and Algebra.

III. THE COLLEGE PREPARATORY, which has a course of study extending over three years, beginning with Latin and Algebra, and requiring two years of Greek.

IV. THE COLLEGE, which has a four-years' course of study additional to that provided in the College Preparatory course.

V. DEPARTMENT OF MUSIC, with an extended course in both instrumental music and voice culture. There are 150 pupils in this Department. In addition, vocal music is taught throughout all the courses of study. The Mozart Society studies and renders the Classics in music.

VI. INDUSTRIAL. Printing and Carpentry are taught to young men. The young women are instructed in Nursing, Cooking, Sewing, and Printing.

VII. THEOLOGICAL. For the use of this Department the building represented by the above cut has been erected by the American Missionary Association. The course of study extends over three years.

The University has a campus of thirty-five acres, with buildings and other appliances for its educational work, which could not be replaced for $350,000. Number of students, 535.

The University is without endowment. The annual expenses, above the small income from students, are met by voluntary contributions, made directly to the University, or through the American Missionary Association which founded the University, and has continually fostered it. THE DEMAND IS NOW IMPERATIVE FOR AN ADEQUATE ENDOWMENT. Haply some one reading these lines may find pleasure in helping towards this endowment.

The Scholastic Year, 1896-97, will open September 28th.

NOTE.

"Every church and every minister upon the rolls of the denomination" is entitled to share in the distribution of the YEAR-BOOK. For this very practical purpose, "the rolls of the denomination" must be assumed to be the tables and list of the YEAR-BOOK, and the claim of any church or minister to receive it, errors excepted, does not arise until such church is found in the YEAR-BOOK'S tables, or such minister's name is enrolled and printed in its "List of Congregational Ministers" here reported and printed. To purchasers, the price is $1.00; or, in cloth, $1.25. Those entitled to receive it who prefer a cloth binding can have it in that form by sending 30 cents to

REV. HENRY A. HAZEN,
CONGREGATIONAL LIBRARY,
BOSTON, MASS.,

to whom all correspondence relating to the YEAR-BOOK should be addressed, NOT to the Publishing Society. It is not safe or sufficient to say "Congregational House" only, as it has many rooms and occupants.

A pastor, who has resigned his active service, does not lose his claim to the YEAR-BOOK. It is due to "every minister upon the roll." A church is not entitled to two copies, one for itself and one for its minister, as is often assumed; but to its one copy. The roll is new every year, and a minister's name has no place on it simply because it was in the *last* YEAR-BOOK. It is to be reported each year, either by the church he is serving or by the conference or association of which he is a member, and which is responsible to the churches for record and report of his good standing.

INTRODUCTORY.

The YEAR BOOK comes to the churches and the public this year more than a month earlier than in 1895. This favorable result is due to the earnest and diligent coöperation of many reporters, pastors and clerks of churches, local and State secretaries, who have made decided gains on the work of previous years; and the hearty thanks of the churches are due to all these faithful servants, as well to those who have held their ground in comparison with the prompt reports of other years as to those who have made good progress.

The reports of six States were received in April — Connecticut, Georgia Illinois, Rhode Island, Texas, and Utah. The honored and beloved Secretary for Rhode Island, Dr. Laurie, was unable to complete his work. He was called to great sorrow, in the death of his wife, and to such feebleness that his report was finished, well done, by another hand.

And in Illinois, the veteran secretary who had served the churches in this capacity more than forty years, and longer than any other, laid down his work on January 15. Dr. Whittlesey was one of those men whose years leave little impression of age. His spirit was always youthful, and his interest in all that concerned the work and prosperity of the churches was as keen as when, almost fifty years ago, he became secretary of the Illinois Association. His name appears as secretary in 1852, and he must have been elected, at least, in 1851. Of course, it took time to transfer the work to the hands of Rev. J. B. Fairbanks, but he had the advantage of familiarity with such work in Minnesota, and his work was well done by April.

Thirty States reported before March 15, and will, we may assume, continue to do as well. If the nineteen States reporting later will come up to the same standard next year, we can gain another month in the issue of the YEAR-BOOK. It is surely not unreasonable for the churches to ask and to expect as much. New York can do as well as Ohio, Iowa as Michigan. The reports are generally an improvement in quality and fulness, as well as date. Georgia and Louisiana are an exception to this statement, and we may appeal to friends in these States to take such measures as will secure satisfactory returns in future. It is due to New Hampshire to record the fact that her report was received *February* 6, and Maine returns were only two days later. Michigan and Vermont, among the larger States, were also heard from in February.

The list of ministers has gained in accuracy, but the improvement which is needed cannot be reached until the local reporters of ministerial standing accept and act upon an adequate sense of their responsibility in the matter. Some do this. They revise their list in January with care. They do not report a man as in a given place

because he was there last year, without knowing that he is still there. If a post-office is doubtful, they make inquiry by letter or otherwise, and if the result is not clear they cross out that post-office and do not take the responsibility of reporting as a fact what they do not know.

Other reporters come short of this standard. They take their previous list, make any changes they happen to know about, and all the uncertainties which have accumulated they pass along and report as the facts of to-day, doing the churches a great injustice. A minister who died two years ago has been duly reported each year since, and this is not the first time such report has been made.

The tendency to such fictitious "reporting" is increased when an association or conference permits the carrying of names of members long absent. This has been, and still is, a serious evil, though many such bodies are revising their rules and limiting the privilege of non-resident membership. Neighborly fellowship is a fundamental principle of Congregationalism, and it is quite as important in application to ministers as to churches. The man who wants and secures our fellowship should do it on the knowledge and faith of his neighbors; and, if we encourage men who keep their standing among us to turn their backs on such neighbors, and depend for its due report on brethren 100 or 1000 miles away, we do them a serious wrong, and injustice to all concerned. Of course, where brethren have no opportunity for such fellowship, as missionaries and some others may not have, exception may be properly made; but, otherwise, it is believed the exceptions should be very few.

The committee appointed at Syracuse to arrange for a second International Congregational Council has entered upon its duties and initiated correspondence with the Congregational Union of England and Wales, and with Australia. No reply has been received from the latter, but English friends enter heartily into the proposal, and are ready to coöperate in arranging for a Council to be held in Boston in June, 1899.

We should anticipate this great convocation with pleasure and with a due sense of our responsibility, as well as privilege, in welcoming it to America. What we can we must be ready to do, to ensure its success, and to make it a power and a blessing to our world-wide Congregationalism.

HENRY A. HAZEN.

AUBURNDALE, June 1, 1896.

THE WORK AND NEED OF OUR SIX SOCIETIES.

At the National Council in Syracuse, Samuel B. Capen, of Massachusetts, spoke of the work and needs of the six societies, and offered the following preamble and resolutions, which were adopted by a rising and unanimous vote: —

Whereas, our six missionary societies, in harmonious relations, one with the other, seem to be doing the work which is providentially committed to their care, with fidelity and success; and, *whereas*, our brethren in the field who bear our commission are greatly hindered in their work because of the inability of these societies through reduced receipts, to promote properly their work; and *whereas*, three of our societies are now in debt to so large an extent that unless relief shall speedily come, they will be compelled still further to call in from the field men and women who are holding up the cross for the salvation of those who are ready to perish; and, *whereas*, large sums of money are given by members of our Congregational churches for work which is oftentimes known to be experimental and of doubtful success, which money, if given to our societies, would not only pay every debt, but provide for an advance all along the line; and, *whereas*, notwithstanding this crisis in our missionary work, only 961 out of our 5,342 churches last year gave a contribution to all of our six societies; now, therefore, to prevent further disaster in our missionary work, it is

Resolved, (1) That we appeal to the members of our Congregational churches throughout the land, urging them conscientiously to consider the needs of our six societies, and to be willing in planning their gifts for the coming year, to give not only the first place in their thoughts but a much larger proportion of their missionary money to these societies. To prevent the wasting of the Lord's money, is a sacred duty.

Resolved, (2) That in the absence of all ecclesiastical machinery and church government, the one band that should unite all our churches more closely together must be our common missionary work, we therefore urge every church in our Congregational brotherhood so to recognize its responsibility to this work as to give a contribution every year to each society. Such a remembrance ought to be given as a pledge not only of our loyalty to Jesus Christ, the great head of the Church, but also of our loyalty to the denomination which we love, whose name we bear, and whose work we are in honor bound, as we are nearing another century, to prosecute with increasing vigor and hope. Even the feeblest churches need, for their own best work, the inspiration which would come to them by being connected by this sixfold cord with all our churches and all our splendid missionary work in all the world. Our missionary societies are the six children of our church, and it may well be questioned whether a church which neglects one of them should be considered in good and regular standing.

Resolved, (3) That in order still further to arouse an interest in the missionary work which God has given to us to do, and to make it possible to increase the force of our missionaries in all the world, we urge upon all the members of our Congregational Churches an increase in their gifts. As a means to this end, we would call attention to the simplicity and effectiveness of the extra cent-a-day plan, which, wherever tried, has been found to be successful. The amount required from each person is so small that it can be almost universally adopted; and, if so adopted, the aggregate amount received by our missionary boards would be so great that the men in the field would be doubled and trebled, every open door could be entered, and the evangelization of the world would be near at hand.

Resolved, (4) That we must urge upon all our pastors from the Atlantic to the Pacific and from the Lakes to the Gulf, to take renewed interest in this missionary work. In the new revival of civil righteousness in our land, the time is propitious to emphasize the great truth that the only salvation of America and the world is through the gospel of Jesus Christ; and that a revival in benevolence is the fitting and necessary complement to the revival of patriotism. We glory in the splendid leadership of so many of our pastors along these lines, and we would lay upon all, not only the responsibility, but the magnificent opportunity to be such leaders also in this holy war for the republic and for the kingdom of God in all the earth.

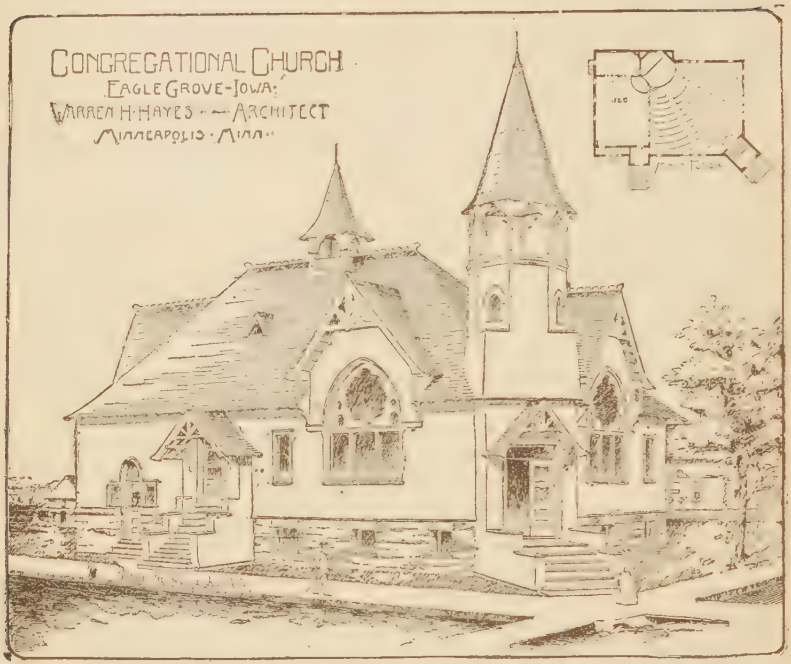
HARTFORD, CONN., May 20, 1896 *Treasurer.*

"THEY BEING DEAD, YET SPEAK."

If the personal Lord is in direct communication with personal messengers, whom He selects and equips for a personal service, sending them to distant lands that they may bear the message to the individual souls who are to receive it, if this is the divinely ordained method of fulfilling our trust as recipients of divine grace, then who are personally responsible as the human instruments to equip these messengers, to multiply their number, to fill their ranks as they fall, to maintain the goodly succession, and heartily to support them by sympathy and prayer and generous gift — so being kept in personal touch with them and with the personal Lord? Thanks be to God that we are permitted to ask such a question as this, and that its answer brings the whole body of the Lord's disciples through each of its members into the same broad missionary fellowship!

It is the Lord's gracious provision that no individual disciple, however insignificant in his own estimation or in opportunity, shall be excluded from this sublime honor. If he shuts himself out, it shall be his own voluntary act. The command and the promise belong to him, if he accepts them, as truly and as richly as they belong to the messenger who directly carries the message. This is the significance of freewill offerings, the cheerful, generous gifts of individual self-sacrifice, varying in amount according to the amount entrusted to the giver by God, He keeping the record and knowing its private meaning. It is in the solving of this part of the missionary problem that the personal factor needs to be specially emphasized. We want not only auxiliary societies, associations, conferences, churches, to be brought into direct fellowship with the administration of this trust, but more than all else, and practically including all else, every individual believer. When each disciple recognizes his own direct relation to the personal Lord on the one side and to the personal messenger on the other, and this personal responsibility and privilege are kept in lively exercise by continuous prayerful thought and devout offering, all the intermediate agencies will find their appropriate, efficient place and will so abide. Let a few years elapse, — we should not need many such years, — during which every disciple shall clearly discern the Master's personal call, and shall heartily respond, bearing the gospel to individual souls reached by the individual messenger, sent forth and sustained by personal sympathy and consecrated gifts, gifts held in trust and bestowed for the Lord's sake with equal heartiness, whether it be by the rich young ruler who has great possessions or by the poor widow whose two mites constitute all her living, and the missionary problem will be solved for all days to come. — *E. K. Alden.*

This, fathers and brethren, is the glorious work in which we are called to have part; in the spiritual renovation of a world that now groaneth and travaileth in pain, waiting for the manifestation of the sons of God. The one supreme thought is the fulfilment of the prayer of our Lord repeated throughout Christendom with little thought of its sublime significance, yet in wondrous anticipation: "Thy kingdom come; thy will be done on earth even as it is done in heaven;" when art and science, literature and philosophy, shall lay their tribute at the feet of our risen Lord, and when the social and political, as well as the religious, life of mankind shall bear witness to the transforming power of the gospel of Christ, and the kingdom of God be set up on the earth. How vast, how wide-reaching in its significance to the intelligent universe of God this display of the divine attributes on this little earth of ours may be, it is not for us to conjecture. Enough that angels have desired to look into it and that in the ages to come it may call forth our rapt ascriptions of praise and adoration. For the present let our watchword be: "The Lord of Hosts"; our inspiration the prayer of our Lord: "Thy kingdom come." — *N. G. Clark.*



THE CONGREGATIONAL CHURCH OF EAGLE GROVE, IOWA.

On Sept. 4, 1895, the lot for the new edifice was purchased, on Lucas Avenue. The cut gives a good idea of the external appearance of the new building, as well as of the floor arrangement. It was dedicated on Feb. 9 last, having been erected from plans by architect Warren H. Hayes, of Minneapolis, Minn.

The building is of frame construction on a high stone basement, the latter under the whole structure and to be finished later as Sunday-school and social rooms. The size over all is 45 by 69 feet, the auditorium being 47 feet square, with dome ceiling and sloping floor. The main entrance is on the corner with the pulpit directly opposite. The lecture room in the rear is 20 by 30 feet, and a smaller room on the north, to be used as an infant room, and is 10 by 20 feet, with a fire-place. These rooms are arranged with balanced doors so that all can be thrown together in one room when desired.

The building contract was $4,000; furnishings, $1,000.

The seating capacity of auditorium is 280; lecture room, 125; infant room, 40, or a grand total of 445 in the three rooms, all in sight of the preacher.

Note. — The limitations of the tables do not in all cases admit exactness. In the table of theological education, students who did not graduate are counted, and without distinction from graduates; but a name occurring in more than one seminary list is not repeated; and in the college lists, a few students who were not alumni are counted with the graduates.

The editor renews his earnest request to friends and to the secretaries of the State bodies for prompt information of the death of Congregational ministers, and for full and exact information on the model of the sketches above given. Obituary and eulogy beyond, it is impossible to use here.

AMERICAN BOARD OF COMMISSIONERS FOR FOREIGN MISSIONS.

Founded in 1810.

President. — Richard S. Storrs, D. D., LL. D., Brooklyn, N. Y.
Vice-President. — Eliphalet W. Blatchford, Esq., Chicago, Ill.
Corresponding Secretaries. — Judson Smith, D. D.; Charles H. Daniels, D. D.; James L. Barton, D. D.
Asst. Treasurer. — Frank H. Wiggin.
Editorial Secretary. — Elnathan E. Strong, D. D.
Publishing and Purchasing Agent. — Charles E. Swett.
P. O. Address of the above, 1 Somerset Street, Boston, Mass.
District Secretaries. — Charles C. Creegan, D. D., 121 Bible House, New York City. Rev. A. N. Hitchcock, Ph. D., 153 La Salle Street, Chicago, Ill. Rev. Walter Frear, General Agent, San Francisco, Cal.

The American Board was organized at Bradford, Mass., June 29, 1810. Its first meeting was held at Farmington, Conn., Sept. 5 of the same year. It occupies twenty mission fields, as follows: Papal Lands: Mexico, Spain and Austria; Turkey: European, including Bulgaria, Western, Central and Eastern; Africa: Zulu, East Central and West Central; India: Marathi, Madura and Ceylon; China: Foo-chow, North and South and Shansi; Japan; Micronesia, including the Gilbert, Caroline and Marshall islands; and Hawaii.

In these missions are located 1,265 stations and outstations in which evangelical labors are carried on among large populations, speaking at least 25 different languages. The missionary force numbers 572 men and women, all under direct appointment by the Board. These missionaries have gathered about them 3,107 native helpers. There are 461 churches connected with these missions, enrolling 44,413 members, 3,266 being added last year. Intimately associated with these churches and missionaries are 1,165 Christian schools. These schools are of every grade, including theological seminary, college, boarding school, high school and common or district school, with increasing numbers of the kindergarten. They are for both boys and girls, and enroll about 53,000 pupils, all of whom are taught the Word of God and the way of life. Sunday schools form an important part of the work of the Board, training the youth to right views of biblical study and Sabbath observance. To give to the peoples in heathen lands a Christian literature is no small part of the work. The preparation, publication and distribution of books, leaflets and newspapers is accomplishing great good, while the sending forth of the Bible in the language of the people is the greatest good that can come to a nation.

The Board gives assistance in the erection of churches, school buildings and homes. It aids feeble churches and stands behind many of the native home missionary societies, encouraging their efforts. The medical missionary is a constant factor for good, and the hospitals and dispensaries under their care are grand ministries to the sick, poor and oppressed.

The imperative needs of the Board are three-fold: (1) The most cordial support and sympathy from our pastors at home. (2) An annual contribution from all our Congregational churches. More than two thousand make no offering to this work. (3) A system of contributions in every church which will increase the givers until every member shall have a part.

The Woman's Boards, which co-operate with the American Board, are doing a royal service, not only securing — mainly from the women of the churches — large contributions, but also educating and training children and young people to an intelligent interest in missionary work. These Boards can be addressed at No. 1 Congregational House, Boston, at 59 Dearborn Street, Chicago, and at 1316 Mason Street, San Francisco.

The appropriations for 1896 are $580,000, or $70,000 less than the previous year. This reduction means distress to every mission, especially in distressed Turkey, and constitutes an intense appeal for generous giving and sacrifice on the part of the home churches.

Attention is called to the *Missionary Herald*, the *Mission Dayspring*, and *Life and Light;* also to the *American Board Almanac*, and to the Children's Morning Star Mission, a special for Sunday schools. Our main instrumental reliance is upon the pastors of churches, themselves full of missionary information and zeal.

STUDENT DEPARTMENT.

(Organized in 1816.)

1. PURPOSE. — To assist worthy students in colleges and theological seminaries who are educating themselves for the Congregational ministry. Few ministerial students come from homes of wealth. The great majority need financial aid while pursuing courses of study. More than 8,000 have found the Society's aid necessary.

2. NUMBER AIDED. — About 330 regulars besides about 50 of foreign birth who are preparing to be home missionaries to their own people in this country.

The Slavic Department of Oberlin Seminary, which has been receiving $3,000 annually from the Society, has already furnished 15 graduates who are now pastors and missionaries.

3. AMOUNT OF AID. — Each needy and worthy student may receive annual appropriations of $75 each. Many afterwards refund all they receive.

4. DEMAND FOR MINISTERS. — Annual loss by death about equals the recruits from the seminaries, but for many years the annual net gain in number of churches has been about 125.

The Congregational churches are not producing a supply of ministers equal to their own demand; hence, many are called from *other denominations*.

COLLEGE AND ACADEMY DEPARTMENT.

1. PURPOSE. — To assist in the support of teachers in Home Missionary colleges and academies in the West and South. As pioneers must have the railroads built for them, so for a few years they require some aid in the establishing of institutions of higher and Christian education.

2. NUMBER AIDED. — 9 colleges and 17 academies.

3. Amount of Aid. — Each college receives from $1,500 to $5,000 a year, and each academy from $500 to $1,500. The institutions are required to raise the balance of their current expenses on their home field. Aid has been given to 22 colleges that are now strong and prosperous.

4. Their Importance. — The colleges produce candidates for the ministry, an intelligent and Christian citizenship, and educate the leaders in the thought and life of new States and Territories. The academies are located in new regions unprovided with sufficient educational privileges, prepare teachers for the public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of Home Missionary churches.

NEW WEST DEPARTMENT.

1. Purpose. — To support the mission schools and academies in Utah and New Mexico, which were formerly sustained by the New West Education Commission. The Christian teacher must precede the preacher to the Mormon and Spanish populations. Churches grow out of the schools.

2. Number Supported. — Besides the Salt Lake College in Utah, a Training School at El Paso, four academies, and ten mission schools.

3. Amount of Aid. — $22,000 for the year.

4. Results. — Nine Congregational churches; thousands of youths and children instructed and protected from the baneful influences of Mormonism; the introduction of public schools made possible, and centres of social and patriotic influences established.

5. Mormonism Still Powerful. — The church organization remains unchanged; the missionaries are active at home and abroad, and church schools are being founded in the leading cities and towns.

6. Mexicans in the United States. — Several hundred thousand. Very poor, ignorant, and superstitious.

The gifts of those who were loyal and generous supporters of the New West Education Commission are imperatively needed and earnestly solicited for the future maintenance of the schools among the Mormons and Mexicans.

Lovett, Roxbury; Hon. Jonathan A. Lane, Boston; Nehemiah Boynton, D. D., Boston; William A. Paine, Roxbury; Arthur C. Farley, Auburndale; Rev. Morton Dexter, Boston.

OBJECTS.

To preserve, improve, and promote the best use of the Congregational Library; to care for the Congregational House, remove the incumbrances upon it, *and erect, as soon as feasible, a new Congregational House in its place;* to further the general interests of Congregationalism.

FINANCES.

The valuation of the Congregational House is $501,000. The present debt is $142,000. Amount of reduction in the past financial year, $4,000. It is highly important to clear off speedily what remains of this debt, especially in view of the present reasonable prospect of a change in our location. All Congregationalists are interested in securing a worthy Congregational House, to replace the present inadequate structure, and all should co-operate to secure so desirable a result. Contributions for this object should be sent to the Treasurer.

Testamentary gifts could not well be bestowed in a direction more conducive to the permanent prosperity and usefulness of our churches.

THE LIBRARY.

The past year has been an active one in this department. There have been added 898 books, 603 pamphlets, and 1,229 unbound numbers of periodicals, making the total number in the Library as follows: Books, 38,567; pamphlets, 34,459; periodicals, 47,004. The totals fail to correspond with those of last year, owing to a new count and classification. Unbound newspapers are not reckoned in this statement, though some of them are very valuable, *e. g.*, the old Boston *News-Letter*, of which there are scores of copies, ranging in date from 1733 to 1774. Besides these are MSS., portraits, photographs, autographs, and relics of various kinds.

We need here especially,

1. *Historical material;* in particular, whatever helps to illustrate the life of the local church: as, its manuals and year-books, the records of its occasional celebrations, and its histories. The history of the town is an adjunct to that of the church. Congregationalists should see to it that our library contains their local history in all its phases.

2. *Biography*, of which we have a good collection, but far smaller than is needed to carry out the idea of our institution. Religious history is embodied in the lives of leading men and women. These should be sent here by friends, that our funds may be kept for other demands.

3. *Money*, to procure the books and pamphlets most directly in the line of our aims. Every year such works are sought here in vain, and every year we see them pass into the hands of more fortunate competitors. Gifts for the special needs of the Library are always welcome, and should be sent to the Librarian.

1. *Object.* — To aid needy churches in building houses of worship and parsonages.

2. *Organization.* — The Congregational Church Building Society, formerly known as the American Congregational Union, was organized May 11, 1853. It has a New York State charter; a President; one Secretary; a Treasurer; three Field Secretaries; a board of fifteen Trustees, chosen for three years, one third of the number going out each year; a Committee on Finance and Applications, and two legal Counselors. Honorary, Life, and Annual Members constitute the Society.

3. *Methods of Work.* — A regularly organized Congregational Church, after legal incorporation, applies for aid. The application, carefully endorsed by men outside the church asking aid, comes to the office, is revised, laid before the Committee on Applications, and then before the Board. If aid is voted as a grant or loan, the applicants are notified. When the house of worship or parsonage is completed and ready for use, a loan or trust mortgage is executed by the incorporated Society of the Church, an insurance policy secured, and the aid voted is paid to cover last bills.

4. *What Has Been Accomplished.* — Aid varying in amounts from $50 to $5,000, January 1, 1896, had been put into 2,659 houses of worship and 524 parsonages. More than $550,000 of this aid has been paid back. By this aid more than $10,000,000 worth of church property has been secured.

5. *What Remains to be Done.* — 665 houseless churches to be sheltered and more than 3,000 parsonages to be built before the work of building overtakes the work of organizing. 200 churches and 200 parsonages ought to be built every year, till every live church is housed. After that the Society will help house as fast as churches organize.

The HOME MISSIONARY, a monthly magazine, published by the Society, at sixty cents a year, including postage, gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. The monthly issue averaged 29,612 copies. An ANNUAL REPORT sums up the results of the year. Leaflets and Tracts for the times are published as occasion calls, designed to help pastors, Sunday-school officers, and friends of home missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at the Bible House.

For more than seventy years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and highest usefulness.

In connection with the labor of its missionaries, 6,339 churches(*a*) have been organized and 2,897 have come to self-support It has collected and disbursed in cash, $17,411,950; and in clothing, books, and other supplies, largely the offerings of Christian women, $2,218,811; in all, $19,630,761. The additions to the churches have been 447,219.

In 1883, a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of missionaries all over the country, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed.

The number of missionaries employed in its seventieth year (1895–96) was 2,038, 1,515 of them in States and Territories west and south of the Middle States. They preached regularly in 4,110 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 186,343. The additions to the churches were 12,138; 8,153 of them on confession of Christ. Churches organized, 123; reached self-support, 24.

The seventieth year's receipts were, in cash, $777,747.95; in supplies, $66,008.42; in all, $843,756.37.

At least $708,428 *in cash* is needed this year properly to sustain the missionaries *now in the field*. To take up only such new work as the providence and Spirit of God manifestly call upon the Society to assume *at once*, $100,000 more is imperatively required. The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting of the Executive Committee chosen men are called for in new fields at the front, where they are most needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land.

FIELD

Extends from the Atlantic to the Pacific, and from Florida to Alaska. It includes, in the South, the Negroes and the Whites, especially those in the mountains; in the West the Indians; on the Pacific Coast the Chinese, and in Alaska the Eskimos. Through its pupils it is reaching into Africa, China, the West Indian Islands, and Mexico.

AIM AND WORK

Include Christian education, churches, and missions, among the poor and friendless of the American people. The Association originated in a general sympathy with the almost friendless slaves. In its work no un-Christian distinctions of race or color are recognized. For more than thirty years its main efforts have been devoted to the South in the endeavor to educate the freedmen for their duties as Christians and citizens, and in the development of missions and schools on the Christian anti-caste basis among the whites, especially in the vast mountain regions. As closely related to these efforts the Association seeks to convert and educate the caste persecuted Chinese in this country and fit them to become missionaries in their own land, and to extend the blessings of a Christian civilization to the Indians of our country.

Its methods include the school, the church, the mission, the shop, and the farm.

EDUCATIONAL WORK

Includes universities, colleges, academies, normal schools, industrial schools and departments, and primary schools. Among its institutions are the following: Fisk University, Nashville, Tenn.; Straight University, Louisiana; Talladega College, Alabama; Tougaloo University, Mississippi; Tillotson College, Texas; Avery Institute, South Carolina; Le Moyne Institute, Tennessee; Ballard Normal School, Georgia. Mountain Schools: Williamsburg Academy, Kentucky; Grand View Academy, Tennessee; Saluda Seminary, North Carolina; Bending Oaks Academy, Alabama. Indian Schools: Santee Normal and Training School, Nebraska. One hundred and four other Normal, Industrial, Graded, and Primary Schools.

FIFTY DOLLARS A SHARE.

It is proposed to raise during the next six months a special Jubilee Year Fund of $100,000 in shares of $50 each, with the hope and expectation that these shares will be taken by the friends of missions without lessening those regular contributions which must be depended upon to sustain the current work.

The plea is urgent because the need is urgent. Will not all friends of this great work, pastors and people, now heartily unite in one special Christian endeavor to raise this American Missionary Association Jubilee Year Fund?

MAGAZINE.

The American Missionary is published monthly, at *fifty* cents a year; but will be sent gratuitously, *if desired*, to the Missionaries of the Association; to Life Members; to all clergymen who take up collections for the Association; to Superintendents of Sabbath Schools; to college libraries; to Theological Seminaries; to Societies of Inquiry on Missions; and to every donor who does not prefer to take it as a subscriber, and contributes in a year not less than five dollars.

CHURCH WORK

Is a missionary service almost entirely among the very poor. In the Indian fields, it is having wonderful growth. In the Chinese fields, nearly three hundred pagans have come into the Christian life. In the Southern mountains a number of churches have been added and the interest of the people in the Congregational church life is being rapidly developed. In the Southern lowlands, also, there is a remarkable movement among the colored people towards free and pure churches. Quite a number of independent colored churches have lately come into Congregational fellowship, and the movement shows great promise, especially in the Carolinas and Georgia. The Association has well organized churches in union with our great educational institutions, influential churches in many large towns and cities as well as in the rural regions. There are widespread church missions in the form of evangelistic meetings, Sunday-school and Christian Endeavor services, home visitation, and wayside work. Everywhere the A. M. A. church work stands as a protest against superstition, heathenism, and immorality, and as a witness for a pure gospel of light and liberty.

The will should be attested by three witnesses (in some States three are required, in other States only two), who should write against their names their places of residence (if in cities, the street and number). The following form of attestation will answer for every State in the Union: "Signed, sealed, published, and declared by the said (A B) as his last Will and Testament, in the presence of us, who, at the request of the said (A B), and in his presence, and in the presence of each other, have hereunto subscribed our names as witnesses." In some States it is required that charitable bequests should be made at least two months before the death of the testator, but this rule does not apply to bequests in New York State to this Association.

Money should be sent to the Treasurer of the Trustees of the National Council, Rev. S. B. FORBES, 206 Wethersfield Avenue, Hartford, Conn.

The National Council's Ministerial Relief Fund was started by a bequest of $10,000. Through the earnest efforts of the Committee and the generous response of a few churches and individuals, it has grown to over $90,000. It asks one splendid collection from every church, one self-denying offering from every Congregationalist in our land. It seeks large individual subscriptions and gratefully accepts small ones. The Trustees of the National Council are the legal corporation to hold and invest the money. The interest is paid out annually in little pensions of $50 to $200 to our aged and disabled ministers, especially home and foreign missionaries who have labored where State funds are absent or inadequate, and to their families. Fuller information may be found in the Minutes of the Councils of 1886, 1892 and 1895. The Secretary will furnish leaflets and hymn and subscription cards free, and will gladly respond to invitations to address associations, Congregational clubs, and especially churches.

FORM OF A BEQUEST.

I bequeath to the "Trustees of the National Council of the Congregational Churches of the United States" (a body corporate chartered under the laws of the State of Connecticut) [here insert the bequest], to be used for the purpose of Ministerial Relief, as provided in the resolution of the National Council of the Congregational Churches of the United States at its session held in Chicago in October, 1886.

Calendar. — The annual period of study is divided into three Sessions by two recesses. The next seminary year begins on Wednesday, Sept. 16, 1896, and ends June 17, 1897. Recesses, Dec. 23–Jan. 6; March 25–29; vacation, June 17–Sept. 22.

Course of Study. — This is arranged so as to secure continuity and progress. The Junior Year is devoted to Hebrew, N. T. Greek, Biblical Exegesis and History, Fundamental Theology; the Middle, chiefly to Biblical and Systematic Theology; the Senior, mainly to Sacred Rhetoric, Pastoral Theology, History of Christian Life and Doctrine. Instruction in Elocution (lectures and exercises in vocal culture) is continued through the course. In each year time is reserved for elective work. The elective courses for 1896–97 are: The Life of Christ, History of the English Bible, the O. T. Canon, Introduction to the Minor Prophets, to Daniel, The Psalter and The Wisdom Books, Exegesis, History of Religions, Social Ethics, Syriac, Arabic, Assyrian, German, Reading of Shakespeare, Vocal Music.

Fourth Year for advanced study. Each member of the Advanced Class chooses his studies, subject to approval by the Faculty, and receives from the professors in the departments chosen personal direction and assistance. Special facilities are afforded for private reading and research.

Library and Museum. — The Library now numbers over 50,000 volumes, is constantly increased, and is open every week-day for the examination and drawing of books. A full reference library has been opened on the ground floor of Brechin Hall. The Museum comprises objects relating to Missionary life and work, a monumental slab from Nimrôud, a relief model of Jerusalem, and a collection, recently greatly increased, of Palestinian flowers, birds, animals, reptiles, insects, domestic utensils, weapons, coins, rolls, inscriptions, etc., constituting a remarkably large and rich biblical museum in which may be seen a multitude of objects referred to in the Bible.

A well-furnished Gymnasium is open to the use of the students.

Location. — The Seminary was located with a view to the advantages of uninterrupted study. These advantages have been retained, and are accounted of increasing value. At the same time, through the rise and growth of cities in the immediate vicinity, the students of the Seminary have special opportunities for studying various conditions of church work, and different methods of preaching. Andover is within four miles of Lawrence, ten of Lowell and Haverhill, fifteen of Salem, and twenty of Cambridge and Boston. The situation is remarkably healthful.

For information respecting conditions of Membership, Studies, Lectureships, Honorary Scholarships, Pastoral Scholarships for Evangelistic work (Juniors), the Winkley Fellowship ($600), Expenses and Pecuniary Aid, see Catalogue, which may be obtained by application to the President of the Faculty.

Senior Year. — Church History, Homiletics, Pastoral Theology, Sociology, Old Testament Theology and Criticism, New Testament Theology, Church polity.

English Biblical Course. — This course has recently been established as an elective, for those who prefer a theological education on the basis of the English language. Its instruction is intended to be as scientific and scholarly as that of the other departments. Special attention is given to the English Bible. This course is in part distinct from the Classical Course during Junior year, but in Middle and Senior years the two divisions of the class are essentially united.

Preaching. — As it is believed to be conducive to the best professional training to combine practice with theory, and as special facilities are afforded in the comparatively destitute missionary fields in the immediate neighborhood of the Seminary, students are allowed to exercise their gifts in holding meetings and in preaching as opportunities may offer, under the express approbation of the Faculty, it being provided that the prescribed exercises of the Seminary are not neglected. This privilege is enlarged after licensure at the close of the Middle Year.

Post-graduate Scholarships. — Three scholarships have been recently established for graduates of this Seminary. Two are in Bowdoin College, and are for the purpose of aiding students who, after graduating from the Seminary, desire to take a post-graduate year in the College. The third is for the benefit of any student who wishes to take a fourth year of study in the Seminary.

Expenses. — There is no charge for tuition, rooms, furniture, library, or any privilege of the Seminary. The dormitory has been thoroughly repaired and refitted. The rooms are carpeted and furnished. The income of the Washburn fund and some other funds, given expressly to aid members of the Seminary, will be distributed to those who need.

Library. — The Seminary has an excellent library, numbering nineteen thousand volumes, specially selected to meet the wants of the students. There is a permanent library fund, with the income of which constant additions are made of the latest and most valuable literature.

Gymnasium. — The new gymnasium is furnished and provided with suitable apparatus. Special instruction is given three hours a week.

Anniversary occurs on Wednesday, May 20, 1896.

The next seminary year will open on Wednesday, Sept. 2, 1896.

Rev. George Mooar, D. D., Coleman Professor of Apologetics and the Relations of Christianity and Science; also Acting Professor of Church History.
Rev. Wallace Williams Lovejoy, M. D., S. T. D., Professor of Old Testament Languages and Literature.
Rev. John Henry Goodell, A. M., Professor of the English Bible.
Rev. Frank Hugh Foster, PH. D., D. D., Professor of Biblical and Systematic Theology. Lecturer on History of Doctrine.

Rev. Rhys Rees Lloyd, A. M., B. D., Professor on the Frederick Billings Foundation for New Testament Greek and Exegesis.
Rev. George B. Hatch, B. D., Instructor in Elocution.

Two Courses of Study are provided, a Classical and a Four Years' Course. The Classical Course is as follows: —

First Year. — Theological Encyclopædia, Elements of Hebrew, the Gospels in Greek, Apologetics, Homiletics, Church History, Physical and Vocal Culture, and Elocution.

Second Year. — Hebrew (Messianic Prophecy), the Epistles in Greek, Church History, Theological Ethics, Apologetics, Comparative Religion, Homiletics, Elocution, Sociology, and Biblical Theology.

Third Year. — Systematic Theology, the Epistles in Greek, History of Doctrine, Homiletics, Pastoral Theology, Liturgics, Elocution, and the Delivery of Sermons.

The Four Years' Course has a preparatory year, and then follows the Classical, substituting, however, English for Hebrew Bible study.

Terms of Admission. — The Seminary is open to students of every Christian denomination. Applicants should present certificates of membership in some church, and evidences of such literary and scientific attainments, and of such character, as make it probable that they can worthily pursue the studies. The normal preparation for the Classical Course is a full collegiate education. Those who have not college diplomas should furnish testimony that they have attained equivalent culture and discipline. This would involve knowledge at the least of the Greek language, of Psychology, English Literature and Composition, History, and some branch of the Physical Sciences. Such applicants as have not received the normal preparation are received on probation.

There are special courses intended for those who have not had thorough preparation for theological study, or who wish to supplement previous studies, or to pursue particular topics of investigation, or who would fit themselves for Sunday School, Young Men's and Young Women's Christian Association, or missionary service, at home or abroad. The instruction in the English Bible provides the basis for these courses by a thorough biblical training.

All the courses of study are open to women as well as to men.

Expenses and Pecuniary Aid. — No charge is made for tuition, rent of rooms, or use of furniture or of library. The student furnishes his own fuel and light. For incidental expenses every student is expected to pay $5 each semester in advance, and those occupying rooms in the building twenty-five cents each per week for care of rooms. Board may be had in the Students' Club at from $3.50 to $4.00 a week.

Help is granted from scholarships and from the American Education Society, as may be necessary, up to the ordinary limit of $175. Systematic arrangements have been made, in connection with the Church Extension Society of San Francisco and vicinity, by which students may be employed in church and city missionary work, and so receive a part or the whole of the Seminary pecuniary aid as a compensation for present service, as well as in preparation for the future. Such work is under the direct personal supervision of the President.

Facilities. — A carefully selected and constantly increasing library (now numbering about seven thousand volumes) is accessible to all students. No happier situation is known than that occupied by this Seminary. The climate is unequalled for stimulating qualities, for mildness, and for general fineness. It is favorable to study every month in the year. The location of the institution in the midst of the great metropolitan complex of San Francisco and its surrounding cities, its proximity to the University of California, its high standards, its organic association with the aggressive work of the Congregational churches of the vicinity and of the State, its affiliation with the Congregational ecclesiastical organizations of all the Pacific States, its missionary history, and the emphasis it lays upon the spiritual and practical, constitute its especial claims upon the attention of candidates for the ministry.

The Next Year begins Sept. 1, 1896. Address the President.

Admission. — The Seminary is open to students of all denominations. Candidates for admission to the Degree or Diploma Course must have received a collegiate education, or an equivalent preparation. Students from other seminaries may be admitted by certificate.

Terms and Vacations. — The academic year begins the second Wednesday in September and closes the third Wednesday in April. There is a recess of two weeks at Christmas.

Situation. — The Seminary Buildings front Union Park. The location is quiet, but the centre of the city may be reached in ten minutes.

Course of Study. — The Course of Study covers three years; the lectures are prescribed and elective. Each student is required to take fourteen lecture hours a week, ten prescribed and four elective. The Diploma Course differs from the Degree Course only in putting study of the English Bible partly in place of that of the Hebrew and Greek Scriptures.

The German and the Scandinavian Departments. — Students in these departments take part of the Degree or Diploma Course in the English language, according to their grade of preparation, that they may be able to preach also in English. They are, however, excused from most English studies, in place of which they have such studies in their own native languages as are best adapted to prepare them to minister to our German or Scandinavian fellow-citizens.

Examinations.—In each year there are two public examinations, oral and written, of all the classes.

The Alumni Institute is held in the anniversary week in April.

Hammond Library.— This contains the General and the Reference Library with over 14,000 volumes, which is arranged in six rooms according to subjects. These sub-departments are furnished with the best helps for students, and are open daily. The students have easy access, also, to the public libraries of Chicago, some of which are among the best endowed and equipped in the country.

Expenses.—No charges are made for instruction, or for the use of Hammond Library. Furnished rooms are assigned to new students, by the treasurer, in the order of application. The following charges are made for the occupancy of rooms in the Seminary buildings: $1.00 a week for rooms occupied by two students; $1.25 for rooms alone. Good board can be had in private families in the neighborhood of the Seminary for $2.50 or $3.00 a week.

Financial Aid.—From the American Education Society, to men in the Degree or Diploma Course, $75 a year. Additional aid will be furnished to students needing it, and fitted for such service, in return for service in city mission work. This supplemental aid is $4.00 a week for twenty-five weeks. The aid to students in the Foreign Departments of the first year is given only in the second term to those who pass the Christmas examination.

Subject: Some Phases of the Religious Life of New England.

Course of Study. — The plan of instruction aims (1) to establish sound methods of investigating the Scriptures, (2) to train the power of formulating Scriptural truth, and (3) to apply that truth in the study of history and experience, of philosophy, and of practical endeavor, — God's thought being recognized as the supreme object of all science, and His will the supreme guide of conduct.

Instruction is carried on partly through text-books, partly by lectures, and partly through original investigation by the student. Emphasis is laid upon a close personal relation between instructor and pupil. About two thirds of the course are prescribed, and one third is to be selected from a list of about one hundred electives, offered in all the departments. Special efforts are made to explain the interrelations of the numerous subjects properly belonging under the head of theological science, and to afford the opportunity of prosecuting study in any one of them. In each department the purpose is to use only the most scientific methods, both old and new. In the field of pastoral discipline extensive work is expected in preaching, in every variety of evangelistic and charitable organization, and in personal religious effort. Systematic instruction is given in singing and in elocution. Optional instruction is provided in German. Special and advanced courses are open to those who desire them. Two fellowships (each for two years) for foreign study and seven prizes are offered.

The Apparatus includes a rapidly increasing library of over 65,000 volumes, containing several unique special collections, to which students have access day and evening, museum and reading-room, gymnasium, music-room, etc.

Terms of Admission. — Candidates for admission must be members of some Christian Church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first term.

All courses are open to *women* on the same terms as to men.

Expenses.— No charge is made for tuition, rooms, furniture and bedding, or use of the library and apparatus, except a nominal fee of $20 for use of steam and supervision. Board is provided at the Seminary under the care of the Students' Association, at $3.50 per week.

Scholarship aid is provided for those needing it to the amount of $60 to $90 per year, in addition to the grant of $75 from the Education Society.

Calendar.— The sixty-third year begins on Oct. 7, 1896, and closes on June 3, 1897. The various courses are arranged in three terms. Examinations are held at the close of each subject or principal topic.

The Seminary is open to students of all denominations. It has a full corps of Professors of its own and offers its students all the work essential to a theological training. In addition students are admitted to the College classes without charge, and some of the advanced College electives are allowed to count as Seminary electives. Upon college graduates who complete the Classical Course, the Academic Degree of Bachelor of Divinity (D. B.) is conferred. Those who are not college graduates, but who have had the equivalent of a college course, may also receive this degree upon the completion of the Classical Course, by fulfilling certain additional requirements.

CLASSICAL COURSE. — The minimum requirement for all candidates for a degree is 1,280 hours of lectures and recitations. The most essential courses of each department are required; this work amounts to 657 hours. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction and Biblical Theology. In addition to the required work, a large number of elective courses are offered, aggregating 1,391 hours, from which each student elects at least 625 hours. These courses cover a large range of more advanced work in the several departments.

ENGLISH COURSE. — This is to train for the ministry mature men who give promise of usefulness but who have not had a classical education. The course extends through three years; it includes over 400 hours Exegesis of the English Bible; Church History; the full course in Systematic Theology, preceded by Psychology, Logic, Moral Science, and Christian Evidences; Homiletics with preparatory work in Rhetoric and Elocution; Practical Theology.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular English or Classical Course.

SPEAR LIBRARY contains about forty-five thousand volumes.

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms for fifty students. Those rooming here pay an incidental fee of $30 a year. Other students pay a fee of $5. Aside from this fee there is no charge made by the Seminary. The price of board in Oberlin is from $2.00 to $3.00 a week. Other expenses are correspondingly low.

Pecuniary aid is granted to those who need it, from the Congregational Education Society, and from Seminary scholarship funds. The amount ordinarily received from each is $75. There is abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-two weeks in two semesters. The next year begins Wednesday, Sept. 23, 1896. For further information address Prof. E. I. Bosworth.

Relation to the University. — The Divinity School is one of the Departments of Yale University. Its members receive from the Corporation, on completing their three-years course of study, the degree of B. D. They have access to the public collections of the University, such as the Library, the Peabody Museum, and the collection of paintings and statuary in the School of Fine Arts. They are permitted to attend free of expense, so far as will not conflict with their professional studies, the lectures and recitations in the College and the Sheffield Scientific School, and, if expecting to become foreign missionaries, those of the Medical Department.

Course of Study. — The first year is devoted chiefly to Hebrew and the Exegesis of the Greek New Testament; the second year to Systematic Theology, Church History, Old Testament Biblical Theology, and Church Polity; the third year to Sacred Rhetoric, the History of Christian Doctrine, New Testament Biblical Theology, and Social Ethics. Additional lectures on Preaching and other important subjects are delivered before all the classes by eminent ministers and scholars from this country and Europe. There are also optional classes in German, Syriac, Chaldee, Arabic, and Assyrian. Once a week there is a Rhetorical Exercise for all the classes. Instruction in Vocal Culture and Elocution, and also in Sacred Music, if desired, is continued through the entire course.

Graduate or Fourth-Year Class. — Students of approved scholarship who have completed a three-years course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in Theology are pursued under the direction of the Professors. Scholarship aid, to a limited amount, will at the discretion of the Faculty, be given to men of superior scholarship.

The Libraries of the University, to which students have access, including the Reference Library of the Divinity School, contain more than 200,000 volumes.

The Graduate Fellowship, for the encouragement of further theological study in this country or abroad, the income of which is $600 for two years after graduation, is offered to the class entering in September, 1896.

Expenses. — There is no charge for instruction, use of libraries, or room rent. The rooms, which will accommodate one hundred and fifty students, are designed in general for only one occupant. Each room has a bedroom attached, and is carpeted and furnished with all needful furniture except bed clothing. The chief expenses of the session are for board, $3.00 to $4.00 a week; fuel and light, $25 to $30; and $15 a year for care of room and incidental expenses.

Scholarship Funds and other Aids. — Students whose circumstances require it are aided to the amount of $100 a year, from the income of scholarship funds. Besides this assistance, ten special scholarships of $50 each are assigned to those members of the Junior Class who maintain the highest standing in studies of the year. Additional aid to the amount of $75 is offered by the American Education Society to approved students who are members of Congregational churches.

Commencement of the Term. — The next term of study will begin on Thursday, Sept. 24, 1896, and continue until the third Wednesday in May (anniversary), when the vacation of four months, in which the students have the opportunity to engage in some form of remunerative labor, will commence.

Application for Admission. — The Seminary is open on equal terms to students of all Christian denominations. Applications for admission, or for the annual Catalogue containing further information, may be made to Prof. George B. Stevens, *New Haven, Conn.*, or to any other member of the Faculty.

* A dash in the column of colleges implies that the student has never been connected with any college; the name of a college followed by a dash in place of year implies that the student was connected with that college, but did not complete the course. A list of the colleges and universities may be found at the end of this list.

† "Sen." means Senior. "Mid." Middle. "Jun." Junior. "Sp." means Special Course; and when followed by "Sen.," "Mid.," or "Jun.," means Special Course Senior and the like. "R. L." means Resident Licentiate. "Grad." means Graduate Class. "Adv." means Advanced Class. "*D. N.*," "*Ger.*," "*Slav.*," and "*Sw.*" mean *Dano-Norwegian*, *German*, *Slavic*, and *Swedish* Departments, in Chicago and Oberlin.

a These special students at Chicago are ranked, 16 with the Senior, 16 with the Middle, and 21 with the Junior classes; 7 in the German, 12 in the Dano-Norwegian, and 34 in the Swedish departments.

b Of the special students at Oberlin, 24 are in the English Course, 9 in the Slavic Department.

NOTE.—If the Advanced or Graduate classes were included among the students as well as the undergraduates, the totals would be increased to 481.

COLLEGE EDUCATION OF THE UNDERGRADUATE STUDENTS.

In this table, a number in parentheses denotes that that number, although once connected with the college mentioned, did not complete the course. The figures not in parentheses denote graduates of the college mentioned.

Conclusion of this table on page 45.

THE ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1896 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date 1 Jan., 1896, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows: —

1. The statistics of the churches and their ministers, by States.
2. List of Congregational ministers in foreign lands.
3. The National, State, and local organizations of the churches, with officers and dates of next sessions in 1896-7.
4. General summary tables for the year.
5. Tables of summaries, 1858-1895.
6. Remarks upon the statistics.
7. Alphabetical list of ministers, with P. O. address, and indexed to pages.
8. Alphabetical list of licentiates.
9. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make each State list to conform strictly to the *State boundaries*. Churches or ministers reported by some association of a State other than their own are, therefore, transferred to their proper places; and the summaries are correspondingly corrected.

3. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations are specifically mentioned with the State summary, so that each church can be traced from year to year.

4. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

5. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and THIS EMPHATIC TYPE IN LINE OR MARGIN, IS USED EXCLUSIVELY FOR NAMES OF

POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton **West**"; if itself a name, it supersedes the other, as "Newton, **Auburndale**." Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since January 1st; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A * denotes churches not associated, except in California, where it marks the churches in Southern California.

2. Pastors installed or recognized by council are marked "*p. c.*"; pastors duly called by their churches and recognized by some "definite act of the church," but not by council, are marked "*p.*"; others in service are not marked, but in tabular summaries are counted as "supplies." Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* a postal guide to the addresses of ministers, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-office.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person designated is found in the original State alphabetical list, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so last year and may be presumed to be *in transitu*, but is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such, or by ministers of other denominations, are reckoned as vacant; but the number of such churches is given in each State summary. No ministers of other denominations (if so known) are inserted in the General Alphabetical List.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

a The Sunday School members might be properly increased by adding 71,857, for the 1,541 independent schools reported from 41 States. This would give a total of 754,437.

Students of this table should remember that 1887 was a transition year. The reports from different States covered various periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England except Maine two years are included, and the average for the whole country is 20 months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the gain of members, 12,723; in Sunday schools, 17,822, and infant baptisms, 7,176.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolent Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year, without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1895, are retained, and are indexed to the pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names differing only in a single letter and pronounced alike are treated as one name, but spelled according to report. Browne, Clarke, Curtiss, Griffith, etc., and names beginning with Mac. or Mc. are among this number. Names beginning with Mc. or St. are arranged as if the word was not abbreviated.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons employed in instruction in schools and colleges are indicated by *pr.*, president or principal, and *pf.*, professor.

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person may reside elsewhere.

WANTING IS WHAT?

Extracts from Address of the Chairman of the Congregational Union,

Rev. J. Morlais Jones, 12th May, 1896, in London, England.

"Criticism — the tone and temper of it — the ideas with which the world of thought and scholarship is just now soaked have loosened the tenacity with which we once held the great book as the word of God, cooled the fervor with which we believed in Jesus as the only Saviour of men, damped the glow and intensity with which we recited the great truths in which we enthusiastically believed. And before everything — oh, we have our political and social and denominational dreams, but we must start here — we must rekindle the old passion, awake to the old love, rouse ourselves to the old enthusiasm, and bring ourselves into fresh touch with God.

"This revivifying of the Church, this rekindling of the life of the Church will come only by two things. First, by earnest and devoted and constant prayer: 'Pray without ceasing,' 'Instant in prayer.' The small band upon whom the power of Pentecost broke had been waiting for it 'with one accord in prayer and supplication.' Do what you will, the fire in the Church will burn down into gray ashes, the very look of which makes you shiver, if you neglect to pray. You may work hard and devise a thousand schemes of stimulating the Church into activity. It will be piling fuel on the fire, but shutting from it the necessary oxygen. Prayer alone creates the atmosphere, ensures the temperature in which what is the Church's real glory thrives."

"The place of prayer in public worship has to be restated. We Congregationalists have never yet understood the importance of the function; no people relegate it to the place of comparative insignificance we do. Meetings for the simple cultivation of the devout life have practically become extinct. But we must seek something more than public prayer. For the minister, especially, that is not enough. 'But thou, when thou prayest, enter into thy closet.' A simple duty, but perhaps one of the most difficult that Christ laid upon us. Few of us like to be alone. There is no one we are so much afraid of as ourselves; we are never quite at our ease, unless there be some second to stand between us and ourselves. Even when we retire for solitude and meditation, we retire in company. Elijah worked out the problem of the hour for him by the brook Cherith. John the Baptist retreated into the wilderness. Saul's last preparation for his apostleship was a season of solitude in Arabia. Our Lord Himself, at every fresh crisis in His work, spent the night on the mountain-side alone. When *we* want a retreat we organize it, — a retreat in company."

"From the days of John Milton until to-day, the first sod in many a fresh field of theological thought has been cut by the 'Independent.' This has been a disadvantage as well as an honor. We might have been far stronger in numbers, if we had not been so eager theologically to push into 'fresh fields and pastures new.' The crowd will never be with those who strike out for the first time into fresh territory. It is not the pioneers of civilization in a new country that are always afterwards the masters of that country. It is easier to come in when roads have been cut through the primitive forests, and the swamps have been a little drained. But for myself, I would have Congregationalism be still true to its ancient mission — to be the pioneer and pathfinder."

IMPORTANT BOOKS.

The Christ of To-Day.

By GEORGE A. GORDON, D.D., Minister of the Old South Church, Boston. Crown 8vo, $1.50.

FOURTH EDITION.

EVERY CHAPTER, and almost every page, is noteworthy. . . . . He discusses the profoundest truths and mysteries of nature and religion with a breadth and force of grasp, a just discrimination, and also a tender appreciation of actual human needs, which few, even among modern leaders of thought, have exhibited in an equal degree. Henceforth he must be conceded a high place among them. — *The Congregationalist.*

WE HAD THE PLEASURE of reviewing some months ago Dr. Gordon's "Witness to Immortality in Literature, Philosophy, and Life," — one of the best books we have ever read. We find in this volume the same elevation of thought, the same depth of insight, the same clear-cut form of expression. His book might well have been called "The Larger Christ." — *Canadian Methodist Magazine.*

The Witness to Immortality in Literature, Philosophy, and Life.

By DR. GORDON. 12mo, gilt top, $1.50.

IT DEALS with one of the most grand and solemn themes in a masterly and truly helpful manner. — *The Congregationalist* (*Boston*).

Christ's Idea of the Supernatural.

By Rev. JOHN H. DENISON, D.D. Crown 8vo, $2.00.

A BOOK which may well be set beside Bushnell's "Nature and the Supernatural," or Drummond's "Natural Law in the Spiritual World." . . . It is impossible within the limits of a brief notice to give any adequate conception of the stimulating quality and spiritual suggestiveness of this thoughtful book. — *Springfield Republican.*

NO THOUGHTFUL SPIRIT, none bent on attaining the highest life and leading others to attain it, can read the book without special interest and enrichment, even though it may hesitate to stand with the author on some of his positions. — *Christian Intelligencer* (*New York*).

Moral Evolution.

By GEORGE HARRIS, D.D., Professor in the Andover Theological Seminary. Crown 8vo, $2.00.

SECOND EDITION.

PROFESSOR HARRIS has rendered a valuable contribution to the science of Ethics by his volume. . . . This affirmation of the virtue inherently resident in regard to one's self is the distinguishing contribution of his book to the literature of this subject. . . . Our brief quotations have been, we hope, sufficient to show the terse, compact, and often scintillating style. — *The Outlook* (*New York*).

IN SHOWING the beautiful harmony existing between evolution and ethics, he has performed a valuable service. — *Zion's Herald* (*Boston*).

Ruling Ideas of the Present Age.

By WASHINGTON GLADDEN, D.D. 16mo, $1.25.

ONE OF THE STRONG, fresh and courageous thinkers of the present day; one of the thinking men with the power and the grace to say in a way to impress men with the importance of the thoughts that they present is Washington Gladden. — *Buffalo Commercial.*

IT TELLS MANY IMPORTANT TRUTHS that are worth pondering upon in its able handling of the subject. — *Boston Commercial Bulletin.*

The Church Hymnary contains over 150 more tunes than any similar collection, and gives on the same page with a large proportion of the hymns the choice between an old, familiar tune and others of the modern English school. This wealth of music and choice of tunes does much to encourage good Congregational singing, and peculiarly adapts the book to the varying needs and musical capacity of the churches.

Others are rapidly introducing the Hymnary. Why not your church?

A returnable copy of **The Church Hymnary,** with Rev. Dr. Henry Van Dyke's Psalter, based on the Authorized Version, and Rev. Dr. T. Ralston Smith's Psalter, based on the Revised Version, will be **sent free** to clergymen and music committees for examination, with a view to introduction.

The Hymnal

PUBLISHED BY AUTHORITY OF

The General Assembly of the Presbyterian Church in the United States of America.

WORDS AND MUSIC: 650 pp. octavo.

WORDS ONLY: two editions, 12mo and 18mo.

All contain the same hymns in the same order, and can be had with or without readings from the Psalter.

No church contemplating the adoption of a new hymn book can afford to overlook the *Hymnal*. Its intrinsic merit and fitness cannot fail to bring it into general use as one of the standard books of praise. A descriptive circular will be sent on application, containing specimen pages, price-list, etc.

A returnable sample copy of *The Hymnal* will be sent free to ministers and music committees desiring to examine it with a view to introduction.

From The Congregationalist.

"Now comes this new Presbyterian *Hymnal*, authorized by the General Assembly, and in many respects in advance of all its predecessors and competitors. In its mechanical make-up and appearance it leaves nothing to be desired, while the good judgment of its editors is to be seen on every page. . . . For comprehensiveness, for poetic merit as well as religious feeling, for adaptation to all the moods and phases of Christian experience and for practical use in the services of the Church this book seems to us a decided success. . . . We are especially pleased with the adaptation of tunes to hymns and the unusual care, everywhere manifest, to make this a book of dignified and inspiring Christian worship, suited not for choirs only or chiefly, but for congregations, and we are sure it will do much to improve the worship and educate the taste of all those who use it."

Rev. S. J. Niccolls, D. D., of St. Louis, writes:

"I have had a strong prejudice in favor of some other hymnals, and was somewhat sceptical of the ability of the Board of Publication to produce a work that would even be equal to those which I so heartily approved. A careful examination of *The Hymnal* has not only dispelled my doubts, but has brought the thorough conviction that the new book is superior to all others."

From The Interior.

"With no wish to throw discredit upon the hymnals, admirable in their way and time, which have been serving the Church heretofore, it must be conceded by the most impartial critic that none of them can hold its own with this splendid work."

The New York Observer remarks:

"The book is one that will promote spiritual, intelligent and hearty worship. It is a most workable book, and one that the minister will find more and more satisfactory as he studies and uses it. . . . It will more than fulfil ardent expectations."

OBERLIN COLLEGE.

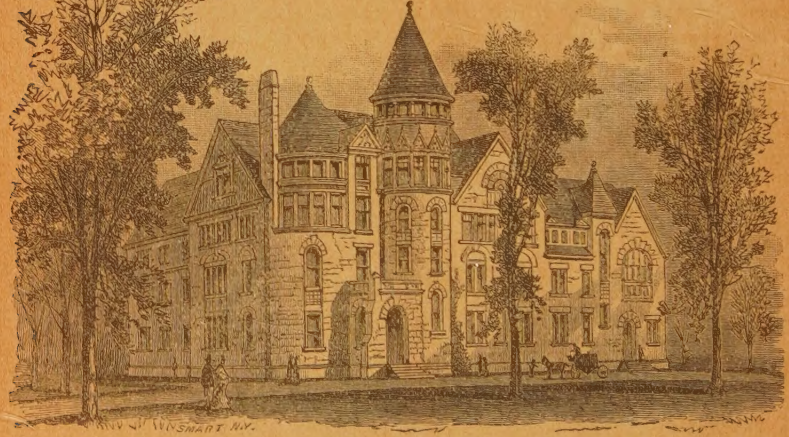
Department of Theology. — Instruction is given by eight Professors and by eminent special lecturers appointed from year to year. Students have commodious, furnished rooms in COUNCIL HALL, which is devoted exclusively to the uses of this department. They have free access to all the classes, libraries, and cabinets of the other departments. Four months during the summer can be spent in home-missionary or other labor, with compensation, without interference with studies. During the last half of the course, the students have frequent opportunities to supply the neighboring churches. Students who need pecuniary assistance receive the usual aid from the American Education Society, and such appropriations from special funds under the control of the seminary as enable them, with reasonable economy, to pursue their course without embarrassment. The degree of D. B. given to graduates. Extended Elective Courses. English Course of three years for men lacking college training.

Department of Literature and Science. — Twenty-two Professors, besides Instructors and Tutors, give instruction in this department. There are three regular courses — *Classical* (for degree of A. B.); *Philosophical* (for degree of Ph. B.); *Scientific* (for degree of S. B.); all requiring the same amount of preparation. One half of the work in the Classical and Philosophical courses is elective. More than one hundred and fifty elective courses are offered in nineteen departments of work. There has been, recently, a large extension of the work in Philosophy and in Mathematics and Science. The large number of elective courses gives special opportunities for graduate study.

Oberlin Academy, — Comprises Classical School, which prepares students for the best colleges, and an English School, which offers the advantages of a first-class Academy to those who can spend but little time at school. Instruction is given by the Principal of this department, and fifteen regularly appointed teachers.

Expenses in all departments for tuition, incidentals, and board are low. (1,397 students last year — a majority from outside of Ohio.) Students who do not wish to take a full course can select such studies in any department as they are prepared to pursue to advantage. Both sexes admitted. Location healthful, and religious influences the best. No drinking saloons in town. In all departments fall term begins Sept. 23, 1896; winter term begins Jan. 6, 1897; spring term begins April 7, 1897. Circulars, with full information, sent free by

JAMES R. SEVERANCE, *Secretary*, Oberlin, Ohio.



Warner Hall.

OBERLIN CONSERVATORY OF MUSIC.

The attention of music students is invited to the unequalled combination of advantages to be found at this School of Music. (1) It is carried on in a pre-eminently religious atmosphere. Its teachers are all Christian men and women, who believe that the highest attainments in music should not be purchased, as they too often are, with a lapse from good habits or the loss of Christian faith. (2) Its instruction is of the most thorough sort. It aims to give the most genuine culture in music.

It is in no sense a private enterprise. It is under the absolute direction of the Trustees of Oberlin College, and all expenses are made as low as the cost of providing first-class advantages will allow. The entire expense of a music student for a college year need not exceed $300.00 to $350.00, and careful economy will reduce it still lower.

Those who wish to give a part of their time to literary or other studies can do so under the very best of instruction in the various departments of Oberlin College.

More than seven hundred students were in attendance at this Conservatory last year, and it generally has more applications for teachers, organists, singers, etc., than it can fill from its graduates.

HISTORY OF BILLERICA

WITH A GENEALOGICAL REGISTER.

All families bearing the names Farmer, Jefts, Kidder, Kittredge, Pollard, Shed, and Toothaker, whose lines in this country go back to 1700, will find their American progenitor in Billerica. Extensive branches were also here of the families of Crosby, Danforth, Farley, French, Frost, Hill, Manning, Parker, Patten, Richardson, Rogers, Sterns, and Whiting. Others, less numerous, but important and significant, are traced of more than sixty families.

To the sons and daughters of Billerica, scattered through the land, and to the large and increasing number who are interested in our local history and genealogy, this volume is confidently commended as worthy of their attention and patronage. It is a handsome octavo of 520 pages, and sold in cloth binding or in sheets, at the low price of $4.00 and cost of delivery (*by mail* 25 *cents*).

As the edition is limited, all who wish to secure it at this price will do well to send orders early to **HENRY A. HAZEN, Congregational House, Boston.**
